Chapter 1: Hunt for the Dragon Balls **(Babunia Saga)**

The story starts with Jacob, the young monkey boy, enjoying a normal day in his village. He is a playful child, with a love for exploring and adventure. He stumbles across a mysterious object, which turns out to be an old dragon ball which he takes home. Daniel, a mysterious robot created by a mad scientist, Babunia, is also hunting for the dragon balls. He soon finds their location. Daniel, the mysterious robot, currently has nothing to do. He is programmed with one task, and that is to collect the seven dragon balls. He has tracked down where the monkey boy, Jacob, has taken the first one, and so he journeys towards the village to retrieve it.
